To The Board of Directors of Reliance Industries Limited

#### LIMITED REVIEW REPORT ON THE UNAUDITED FINANCIAL RESULTS OF RELIANCE INDUSTRIES LIMITED FOR THE QUARTER ENDED 30<sup>TH</sup> **SEPTEMBER 2005**

We have reviewed the accompanying statement of unaudited financial results of Reliance Industries Limited for the three months ended 30<sup>th</sup> September, 2005. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors.

Our review has been restricted to the figures shown in the columns headed "Quarter ended 30<sup>th</sup> September, 2005" and "Half year ended 30<sup>th</sup> September, 2005". We have traced the figures shown in the columns headed "Quarter ended 30th September, 2004" and "Half year ended 30th September, 2004" from the statement of unaudited financial results, published by the Company and column headed "For the Year ended 31st March, 2005 (Audited)" from the audited financial statements of the company.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquires of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above and read with notes to statement, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in the terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
